STATEMENT OF TEACHING PHILOSOPHY

As an instructor of media and culture, I seek to engage my students in critical research that spans media formats and disciplinary distinctions while meaningfully connecting students to their research subjects and to the real-world implications of knowledge production. I strive to mix theory and practice with the profound responsibility of ethical scholarship that contemporary citizenship demands.

HIGHER EDUCATION TEACHING EXPERIENCE

2021, Assistant Professor – Department of Film; Brooklyn College CUNY

2020 – present, Lecturer – Rutgers Arts Online; Rutgers University, New Brunswick, NJ
